J. G. Spivey,
I. D. Dickens,

Report of Conference Superintendent—Jerome Hodges

In submitting this report, I do so, feeling grateful to almighty God for His many blessings upon my life during this year. Seemingly this has been the shortest year I ever saw, and in many respects one of the hardest I have experienced in the ministry; yet I have been more conscious of God's presence and goodness.

I have visited all churches and mission points; conducted District Conferences; presided at Conference Board meetings; attended approximately 250 devotional services, 100 business meetings; attended Sunday school almost every Sunday; attended the General Conference; spent some time in evangelistic work; done the correspondence necessary and assisted otherwise in general to keep the conference work going. Also, have traveled approximately 15,000 miles.

Financial Report

Received for personal use	$1,200.00
Allowance for traveling	300.00
Total	$1,500.00
Paid out:	
Traveling	$ 300.00
Tithes and offerings	235.00
Total	535.00
Balance	965.00

Since serving on the Conference Board of this conference for the past 23 years in succession, 5 years as assistant and 18 years as Superintendent; I feel that for the best interest of all concerned, it will be best for me to step aside and let the conference elect someone else that can serve better than I have in the past and perhaps would be able to do in the future. Therefore, I am earnestly requesting this conference to relieve me of this official position. I do not care to say one word in defense of my record during these years; because I feel that if ones record does not defend itself, it would not be worth the time it took trying to defend it. I sincerely appreciate your splendid cooperation, prayers, sympathy and financial support. May God bless you all.

Jerome Hodges.

Report of Committee on Orphanage

We, your committee on Orphanage Work wish to submit the following: That, since we as a church accept the Bible for our guide, we find

that in order for us to have pure and undefiled religion before God, we must remember the widows and orphans; and since our church has no orphanage, and the Falcon Orphanage is in our midst; we recommend that each church make regular offerings each month to this Institution.

Respectfully submitted,
M. H. Alexander,
W. L. Mayo,
C. J. Seuis.

Report of Committee on Missions and Evangelism

In view of the fact that the preaching of the Gospel to the whole world is the ultimate end of all the activities of the church, we feel it most important that our conference do something definite during the year toward the realization of same. Therefore, we, your Committee on Missions and Evangelism, recommend the following:

1. That a Conference Director of Missions be elected by this body, and we nominate Miss Mavis Lee Oakley for this office.
2. That the Conference Director of Missions appoint an assistant in each district.
3. That the Missions Director in coopeartoin with the Conference Superintendent, arrange a Missionary Convention in each district during the coming year, time and place to be announced.
4. That the funds received by visiting missionaries be turned into the Missions Director who will confer with the conference Board as to how much will be given for his or her service.

Remembering that the aim of the "Pentecostal Evangelistic Association" is "A Pentecostal revival in every church and community," we recommend:

1. That this body elect a Conference Director of Home Missions. We nominate Rev. James F. Eppes for Director of Home Missions.
2. That the Conference Director of Home Missions give his full time to the evangelization of our conference territory, and that he be given a liveable salary, the amount of which shall be determined by the Conference Board.
3. That all funds, above expenses incurred in travelling to and from the meeting, raised in meetings conducted by this Home Missions Director be forward to the Conference Treasurer to be placed in the evangelistic fund.
4. That each district conference elect a committee of three on evangelism, who will work with the Home Missions Director in evangelizing the entire conference.
5. That each district devise a definite plan to aid in evangelizing each district.
6. That definite attention be given in aiding financially in the establishment of a church in Raleigh.

Respectfully submitted,
James F. Eppes,
Mavis Lee Oakley,
Ethel Strickland.

Report of Committee on Pentecostal Holiness Youth Society and Sunday Schools

In recognition of the importance of the work of the Sunday schools

and the young peoples organizations in our local churches, we, your Committee on Pentecostal Holiness Youth Society and Sunday Schools, submit the following report:

1. We urge each pastor to take an active interest in the young people of his congregation and in every way encourage the organization of a P. H. Y. S. unit in the church or churches he may be assigned in his pastorate, and that our evangelists recognize the place of youth in their meetings.

2. That time and place be given the youth program in the quarterly sessions of each district conference.

3. The financing of the P. H. Y. S. work, locally and in the conference is essential to the growth and expansion of the work, and this committee recommends that each local society take an offering at each regular service, and that the tithe of all regular offerings taken by the local societies be paid into the Annual P. H. Y. S. Treasury, this to be paid quarterly. We further recommend that a monthly payment of $10 be paid to the President to permit him to meet expenses of postage, travel and other incidentals in the program of extension.

4. The recommendation is made that the Annual P. H Y. S. Treasurer pay into the General Treasury 10 per cent of the tithes received from all local societies, this to be paid quarterly.

5. We recommend that all our local churches invite the Sunday School Evangelist to conduct a Teacher's Training course in their local Sunday schools during the coming year, or in the event that the Sunday School Evangelist is unable to conduct such a course we urge that some competent and qualified person teach this course.

6. We urge the Sunday school officials and young peoples workers to join wholeheartedly in support of local evangelistic campaigns which may be held in their churches.

Respectfully submitted,

I. D. Dickens,
Wesley J. Noble.
V. W. Callahan.

Report of the Committee on Education

We, your Committee on Education, beg leave to submit the following report:

Inasmuch as the world is torn by strife, greed and war, and the institutions of learning are passing through a crisis, it then behooves us, as a Church, to think seriously, prayerfully considering the education and training our children and young people are to receive.

1. We recognize that the mind largely controls us in whatever we do or say, so then it becomes necessary that we pursue the right course of study in order to be prepared to successfully carry on in whatever field or profession we follow.

2. The ministry being the most honorable and high calling to fill during this life, we urge all our young ministers to put forth every honest effort to prepare themselves to be able to render the best and most efficient service possible.

3. We urge everyone contemplating admission to this conference to exert every effort to complete the course of study recommended by the General Conference.

4. We further recommend that all of our people read The Advocate, Youth's Leader and other good publications, especially such literature

as is sold by our own publishing house. Noting the trend in many of the homes of our people toward modernism in placing before our children of obscene and suggestive reading matter, and inasmuch as impressions made upon the minds of our children are indelible, we urge our people to refrain from allowing such unholy literature and books that are calculated to destroy spirituality or which conflicts with the teaching of our church.

5. We endorse Emmanuel College and Emmanuel Academy as our own church schools and recommend that each local church send systematic support in quarterly offerings for the support and maintenance of this educational enterprise. We also add our word of endorsement to Holmes Bible and Missionary Institute as an institution which has rendered immeasurably in service to the Pentecostal Holiness Church and urge such financial assistance to this school in any way we may be able to administer. We pledge our support and prayer for these schools, and shall work to assist in every possible manner to help Emmanuel College reach the rank of a fully accredited four-year Grade-A College.

Humbly submitted,
A. H. Butler,
N. J. Ward,
T. O. Todd.

Report of Committee on Memoirs

We, your committee on memoirs beg leave to submit the following: In as much as it has pleased God to call to Himself one of our beloved and faithful ministers, the Rev. W. T. Merritt, age 70, a loyal and humble member of this conference, we bow in submission to His will. Bro. Merritt transferred from the Florida Conference to this conference in 1918. Although, weak and frail in body, he labored for a goodly number of years as pastor and evangelist. He also labored hard with his hands to erect new churches, one of which is named for him in Martin County. He was greatly loved by the people whom he served, and they with us will love and cherish his memory.

A. H. Butler,
O. T. Howard.

Report of Committee on Finance

We, your Committee on Finance recommend the following:

1. That all lay members pay their tithes into the treasury of the local church where they hold membership; said tithes to be disbursed by the Official Board of same, except as provided elsewhere in this report.

2. That the pastors inform and encourage all members to pay their tithes into the treasury; and to elect those to the official board who do pay tithes into the treasury. But if this creates confusion or serves to the detriment of the church, that the pastor do the best he can under the circumstances. Also, that no minister be allowed to hold official position in the conference who does not comply with this financial system.

3. That all ministers of the North Carolina Conference pay one half of their tithes, both ministerial and secular, into the conference treasury. We insist that tithes be paid monthly.

4. That all churches pay their pastor his regular salary for Sabbath during Annual Conference session.

5. In view of the fact that the General Conference is asking for special funds, viz; home missions, Bishops' salary, educational purposes, and general superannuate fund, we recommend that the churches have a central treasury, and ten per cent of receipts be paid into annual conference treasury, and conference pay pro-rate part to general treasury.

6. That the Conference Superintendent be paid $125.00 per month and $300 per year for traveling expenses. That the Conference Superintendent shall give his full time to the conference work.

7. That the following appropriations be made: Fifteen per cent of conference funds be paid into evangelistic fund; fifteen per cent into superannuate fund; Bishop King $125.00 at this session of conference; $25.00 to Mrs. Beadie Noble from superannuate fund; $25.00 to H. W. Farmer from superannuate fund; $25.00 to Mrs. W. T. Merritt from superannuate fund.

Emmanuel College $25.00; Holmes Bible and Missionary Institute $25.00; Falcon Orphanage $25.00; Conference secretary $10.00 at this session of conference, and $5.00 per quarter for ensuing year; Conference treasurer $10.00 for this session and $25.00 per quarter for ensuing year; Superannuate fund treasurer $10.00 for work for ensuing year.

Approve such sum as shall be required for printing of Minutes.

Respectfully submitted

W. Eddie Morris,
M. T. Felton,
W. E. Thompson.

Report of Committee on Prohibition and Public Morals

Viewing the encroachment upon the church of all manner of evil practices and recognizing our responsibility as Christian citizens, we call upon our people as a Pentecostal Holiness Church to declare with humble boldness their position with respect to righteous action and opposition to the wide spread iniquity, and to this end your committee humbly submits these recommendations:

1. We should re-affirm our position to the liquor traffic and all its accompanying evils, and urge the importance of instruction and education in temperance, calling upon our people to vigorously wage a relentless warfare against the manufacture, sale and use of intoxicating beverages in all forms, and at the same time giving those support in public office who stand for temperance, sobriety and law enforcement.

2. That in our homes we set standards of conduct as becometh holiness, creating an atmosphere which will promote such standards particularly in the display of pictures and adornment.

3. We would direct attention of our ministers to the importance of pastoral visits and ask that they counsel with their members the vital place of the family altar, wholesome reading matter, and development of respect for the service of the church.

4. We give our voice of protest to the rising numbers of divorces and call on our ministers not to condone the divorce evil, but rather to give strong denunciation to the lightness with which so many consider the sacredness of matrimony, the sanctity of the home.

5. We give voice of opposition to the desecration of the Sabbath and other holy institutions, and call upon our people to set examples

of respect for the day of rest and worship and the church. In some countries churches have been closed by legislation and force, but the spirit of indifference and disrespect for righteousness have wrought great havoc in the church in America.

6. We urge that in our Sunday schools and P. H. Y. S. the leaders give instruction to those of tender years in teaching the harmfulness to physical, mental and spiritual faculties through indulgence in the tobacco habit.

As Christian citizens, we pledge anew our allegiance to our church and also to American institutions not inconsistent with our conviction and scruples.

Respectfully Submitted
W. Harvey Morris,
T. M. Bizzell,
L. E. Peyton.

RESOLUTION

We, the North Carolina Conference of the Pentecostal Holiness Church, do respectfully ask the Congress of the United States of America to enact such pending legislation which proposes the enforcement of laws against the sale or distribution of intoxicating beverages in or near military camps or defense centers of our country.

We humbly petition this action to the end that the physical, moral and spiritual health of young men now in the armed service of our country be given every protection. Since the men now serving our country come from our homes and churches, it is our feeling that we have the right to petition the Federal government to surround them with every wholesome influence possible.

It is our belief that no government plays fair with the men or the parents who have given them up if that government permits areas adjacent to these camps to be infested with moral lepers or cankerous institutions preying upon these men who have been taken from normal pursuits of life and required to train to be our defenders.
